

## Soft Form® Lumbar Sacral Support 11" with Flexible Stays

*Latex Free*

MODEL: 31-550

*Indicated for muscle strain, lower back pain and discomfort, lumbar instability, lumbar spine sprain/strain and sacral contusion.*

This product stabilizes and supports the lumbar sacral region to help provide relief from lower back pain and discomfort. Unique multi-layered soft laminate provides excellent support and comfort with a soft cotton/nylon lining. Sewn in a five-piece design for an ultimate tapered fit without binding or rolling. Plush, latex-free elastic compression straps in a criss-cross design give compression to the entire lumbar region. Lightweight stays in the back provide stabilizing support with flexibility. Two precisely placed, spring-action anti-roll stays keep the support in place and prevent rolling. Easy and inconspicuous to wear under most clothing. Color: Beige.

Measure around the fullest part of the abdomen.

FLEXIBLE STAYS ORDER #	Size	Measurement
31-550400	Small	28 - 32"
31-550500	Medium	33 - 36"
31-550600	Large	37 - 40"

## Cool - Lightweight 7" Lumbar Sacral Support

*Latex Free*

MODEL: 31-701

*Ideal for Lightweight Lumbar Support*

Lower height is great for shorter and smaller patients. This product is made of high quality seven inch high latex free elastic. Four flexible plastic stays in the back provide strength to the lumbar region. Four-inch wide tapered breathable elastic bands overlap and give a contouring shape to most body types. This lumbar sacral support has a lower back panel and its breathability feature makes it great for long term wear. Unique ventilated filament stitch. Soft plush finish can be worn against the skin without the risk of latex sensitivities. Easy hook and loop closure. Color: White

Measure around hips just below waistline.

## Lumbar Sacral Support with Overlapping Abdominal Belt, 10" Height

MODELS: 31-208/218

High quality ten inch high elastic with soft foam and hook and loop closures that adjust for the most comfortable and easy fit. Uniquely designed with an overlapping belt to provide additional lift in the abdominal area. Four flexible stays in the back and sides provide extra support and prevent the belt from rolling. One model is available with a foam pad for added compression in the center of the lumbar area. Available in our popular universal design or fitted sizes. Universal design has six flexible stays. Color: White.

Measure around hips just below waistline.

## Deluxe Lumbar Support 11" Height

*Latex Free*

MODEL: 31-101

Lumbar sacral support helps alleviate pain caused from muscle strain by relieving stress on the lower spine. This popular support is exceptionally strong and durable. Back panel is made of perforated vinyl with a soft cotton lining. Strength is achieved with four contoured rigid stays. Metal stays can be shaped for a customized fit. Double front closures are made of high quality elastic and soft foam. Unique double closure design allows for a contouring fit around waist and hips. Color: White.
