

Tether® Thumb Stabilizer

MODEL: 25-160

Helps support and limit the motion of the MCP joint of the thumb. Ideal for use on soft tissue injuries, ligament strains, Gamekeeper's thumb, osteoarthritis, and degenerative joint disease. Allows for full finger dexterity. Thermal lining provides warmth to the thumb area and joint. Wrist wrap is made of a soft, cool and breathable material. Made of conforming genuine leather. Specify left or right. Color: Black.

Latex Free

Measure the width of the hand.

Neoprene Pull-On Thumb Support

MODEL: 25-130

This neoprene thumb support provides warmth and uniform compression to aching or injured thumbs and wrists. Compression helps reduce pain, inflammation, and swelling while providing support to soft tissues. Comfortable design allows for maximum hand use. Indicated for arthritis, bursitis, tendinitis, repetitive motion or soft tissue injuries, and general muscle soreness. Colors: Black or Beige. Fits left or right.

Measure circumference of wrist. Fits left or right.

BLACK ORDER #	BEIGE ORDER #	SIZE	FITS WRISTS

- **Full thumb coverage** - Neoprene applies soothing warmth to all the joints of the thumb.
- **Contoured shape** - Allows for full use of hand.
- **Soft nylon terry lining** - Works with soft stitching to give a seamless feel.

Thumb Spica Soft Fit

MODEL: 25-120

Anatomically designed to ensure a comfortable fit. Perspiration is absorbed by a self wicking lining, and increased ventilation is provided by perforated blue foam. Ideal for arthritis, DeQuervain's Syndrome, tendinitis, and post thumb injuries. Closure straps are stretchable for ease of application and removal. Universal size fits either left or right. Color: Navy.

C3™ Deluxe Thumb Splint with Microban®

MODEL: 25-170

Supports and limits the motion of the thumb joints. Also comfortably supports the wrist and prevents rotation. Ideal for DeQuervain's Syndrome, tendinitis, arthritis and sports injuries. Made of unique C3™ Tri-Laminate material making it cool and comfortable to wear. The supple C3™ material allows for changes in the amount of swelling. The anatomically conforming stay and closures help restrict movement and provide maximum support. Universal size. Fits either left or right. Color: Black.

Latex Free

Microban® antimicrobial protection

Measure around center of wrist.
