This product is covered under one or more of the following US patents: 5,147,261; 5,318,507; 5,499,965; 5,656,020; 5,656,021; 5,693,006.

**CAUTION:** This product will not prevent back injury nor increase the wearer's ability to lift heavier loads. Failure to follow proper wearing and lifting instructions could lead to personal injury. Pregnant women and persons suffering from previous or existing back injuries or other medical conditions should consult a physician prior to product use. When applied and worn correctly, the LX Lifting Belt uses shoulder straps and intra-abdominal compression to help maintain the lumbar and thoracic curves in proper alignment during the lifting process.

# 800-327-4110

### USE & BENEFITS:

This Back Support should be worn during any activity involving lifting, repetitive motions or standing for long periods of time. The compression system helps hold the back in proper alignment and reduces stress on the lower back. Design encourages correct posture and use of proper lifting techniques. Durable and comfortable for extended use at work or home. Ideal for industrial use, drivers, movers, delivery personnel, material handling, and any task involving sitting, kneeling or bending.

### FEATURES:

- Contoured shape for improved fit without riding up
- Compression lumbar pad for focused support
- Wide, cool spandex support base
- Flexible stays for support prevent belt from rolling
- Overlapping elastic compression panels
- Rubberized gripper strips hold belt in place
- Easy and quick closure system

### CARE INSTRUCTIONS:

Fasten all closures. Hand wash in cool water with mild soap. Do not bleach. Do not twist or wring. Air dry only away from heat.
