Re: Ankle Foot Orthosis/Foot Drop Splint (Model 58-320)

The SADMERC and the four Durable Medical Equipment Regional Carriers (DMERCs) have completed the HCPCS Coding Verification Review on June 6, 2005 for the above listed product distributed by your company. This review resulted in a consensus coding decision.

It is our determination that the above listed product(s) meet(s) the description of the HCPCS code as assigned as defined in the DMERC Medical Policy for Ankle- Foot/Knee-Ankle-Foot Orthotics. Therefore, the correct Medicare billing code(s) for the product(s) is/are:

L1930 Ankle foot orthosis, plastic or other material, prefabricated, includes fitting and adjustment.

This HCPCS coding decision applies to the submitted product(s) as presented to and reviewed by the SADMERC and four DMERCs. Any modifications to this product could change the HCPCS code and would need to be reviewed for coding verification. The assignment of a HCPCS code to this product should in no way be construed as an approval or endorsement of this product by SADMERC or Medicare, nor does it imply or guarantee claim reimbursement or coverage. For questions regarding claim coverage or reimbursement please contact your regional DMERC.

If you have any questions regarding this coding decision, please contact me at the address below or by telephone at (803) 763-1639.

Sincerely,

Jana Brown, RN
