

THUMB SPICA SOFT FIT

Model No: 25-120

Sizes: Universal

Color: Black

INDICATIONS:

- Arthritis
- DeQuervain's Syndrome
- Tendonitis
- After common thumb injuries such as Gamekeeper's Thumb

BENEFITS:

This splint is anatomically designed to limit the motion of the thumb joint, immobilize the wrist, and prevent rotation. Spica is comfortable, easy to apply, and allows for full use of the fingers.

COMFORT BENEFITS:

- Constructed of a semi-rigid material that provides lightweight immobilization
- Self-wicking lining absorbs perspiration
- Perforated blue foam iIncreases ventilation
- Three adjustable straps provide compression when needed.

WEARING INSTRUCTIONS:

Loosen closures. Slip thumb in top of support and center spica on medial (inner) side of wrist. Using free hand attach top strap around thumb. Attach wrist straps to closures, wrapping straps around wrist. Adjust for a comfortable fit.

CARE INSTRUCTIONS:

Fasten all closures. Hand wash in cold water with mild soap. Wrap in a towel to remove excess water (do not twist or wring). Air dry away from heat. Do not tumble dry. Do not bleach.

SIZING: Universal sizing. Fits right or left.
