

TETHER® THUMB STABILIZER

Model No: 25-160

Sizes: Universal

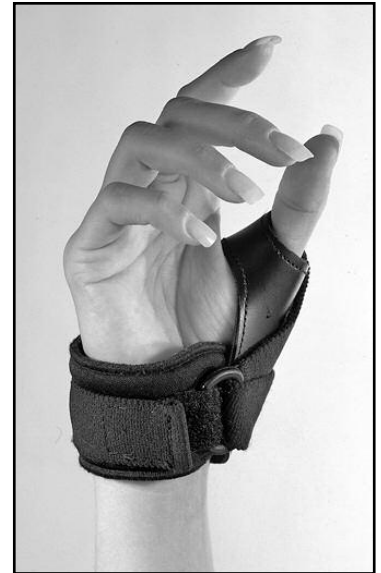

Color: Black

INDICATIONS:

- Soft tissue injuries
- Ligament strain
- Gamekeeper's / Skier's Thumb
- Degenerative joint disease

BENEFITS:

This stabilizer helps support and limit the motion of the MP joint in the thumb. By limiting the motion, it helps to relieve associated thumb pain. With full finger dexterity, this stabilizer will not limit your daily activities.

COMFORT BENEFITS:

- Thermal lining provides soothing warmth to the thumb area and joint.
- Wrist wrap is made of a soft, cool and breathable material.
- Adjustable to accommodate changes in the amount of swelling.
- Genuine leather is durable and conforming.
- Latex free.

WEARING INSTRUCTIONS:

To make application easier, the Tether® Thumb Stabilizer is packaged pre-assembled. Simply loosen the wrist strap, slip onto injured thumb, adjust, tighten and secure.

CARE INSTRUCTIONS:

Fasten all closures. Hand wash in cool water with mild soap. Air dry away from heat. Do not machine dry.

SIZING: Measure the width of the hand. Specify right or left thumb.
